

“So you think you want to be a scientist?”

*A talk for families by Carole Mundell,
Professor of Extragalactic Astronomy and Head of Astrophysics at
the University of Bath*

A free event for families

***Professor Mundell will talk about her career in
astronomy, including her interest in cosmic black
holes, followed by a Q&A***

Wednesday 31st October
2.00pm - 3.00pm at No. 1 Royal Crescent

Free to families (maximum 3 tickets each family) please email
pandrews@bptrust.org.uk
or call Polly Andrews on 01225 338727.
